

My safety rules when out

I do not wander away without asking for permission

I always hold hands in crowded places

I keep my adult in my line of sight

If we get separated, I stay where I am

I do not follow a stranger, even if they say they know Mom or Dad

I have the right to say no and to scream

If I am lost, I show my **Okaou card** to a **trusted adult**.

Who is a trusted adult?

- Police officer or security guard
- Store employee
- A mom or a dad

For parents

- I know what my child is wearing today
- My child knows the safety rules
- My child has their Okaou card with them
- My child knows my full name
- We will determine a meeting point upon our arrival.

Your child doesn't have their Okaou card yet?

In case of separation, anyone can contact Mom or Dad by scanning a simple QR code.
